FEES AND ATTENDANCE

If you need to cancel an appointment at any time, please call me at the above phone number at least 24 hours in advance. I recognize that sometimes emergencies or illnesses happen that make it difficult to cancel in advance. If this happens more than twice in a six month period, I will charge \$50 for the missed session, and a new appointment can be scheduled once the \$50 fee is paid. If it happens more than three times in a six month period, I will charge you the full amount of a session. In turn, I may need to cancel an appointment at the last minute. If this happens more than once in a six month period, I will offer you an extra free "last minute cancel."
